PERMIT APPLICATION  
**TERMS AND CONDITIONS OF PERMIT**  
 CLASS A - CLASS B

1. **INSTALLATION.** Construction performed under this permit shall be in accordance with local jurisdiction's standards and specifications along with approval of the Downriver Utility Wastewater Authority. The method of construction shall only be as described in the application. Minor deviations in location will be permitted provided such deviations are recorded on the recorded permit.
2. **INSPECTION.** The connection to DUWA facility shall be made only in the presence of their Contract Operator or other duly authorized inspector.
3. **INDEMNIFICATION.** The applicant and Contractor performing the work shall indemnify, save harmless, and defend DUWA against all claims, suits and judgements of every name and description arising out of operations covered by the permit or the issuance of the permit and upon request furnish proof of insurance covering liability damage arising out of the work performed under this permit in the amounts stated on this permit.
4. **SERVICE CHARGES.** The applicant agrees to pay the regular wastewater service charges and benefit charges as established by DUWA Board of Commissioners and/or local municipality having jurisdiction.
5. **REVOCATION AND WAIVER OF DAMAGES.** It is understood and agreed that the rights granted herein are revocable at the will of DUWA, subject to the conditions of various contracts between DUWA and the local municipality and the applicant hereby expressly waives any right to claim damages or compensation in case the permit is revoked. In case this permit is revoked; the permit holder shall surrender the permit and cease any operations and remove any connection made pursuant to this permit.
6. **AUTOMATIC REVOCATION.** A violation of any of the terms or conditions of this permit shall operate to suspend and annul any and all rights acquired under this permit and the permit holder shall surrender the permit and cease any operations and remove any connection made pursuant to this permit.
7. **VOLUNTARY WITHDRAWAL.** When a permit is issued for a building sewer connection to DUWA's interceptor and a municipal sewer becomes available to the subject property, **THIS PERMIT SHALL BE VOIDED AND THE OWNER SHALL BE REQUIRED TO CONNECT TO THE MUNICIPAL SEWER SYSTEM.**
8. **COMPLETION.** After the construction has been completed, the applicant's contractor and DUWA's Inspector shall certify in the space provided that the work has been completed in the manner and at the location described herein.
9. **INSPECTION FESS.** The inspection and reinspection fees will be charged in accordance with the current Rate and Fee schedule. All inspection fees will be billed to the applicant unless otherwise specified.
10. Permittee is hereby required to comply with all of the provisions and requirements of 1974 Public Act 53 as amended.
